OG = Organically Certified by Oregon Tilth

Our seeds are all open-pollinated, untreated and not genetically modified. This list is a concise reference arranged by Latin name—the universal botanical language! Seeds identified as [Int'l no] are available to the US only. Every packet gives exacting cultivation advice specific to the plant. More information is available online at Strictlymedicalseeds.com, in the Strictly Medicinal® seed catalog, and in our book “The Medicinal Herb Grower”.
Sowing seeds worldwide for the benefit of people, plants and the planet.

Aloe arborescens
