The finest mid-size tincture press available on the market, the result of 30 years of manufacturing experience, fabricated entirely in our steel shop in Williams, Oregon USA. These presses are 60 pound work horses that have proven their worth in herbal manufacturing, apothecaries, herb schools, scientific laboratories and the homes of serious tincture makers. Efficiently presses out herbal tinctures, infused oils, or juice from any vegetable, fruit or herb that has been ground before pressing. Features an unbreakable frame of heavy steel with a hard finish, all stainless steel herb contact surfaces, custom perforated cylinder assembly, spring-loaded return, hoses, bags, 6-ton hand action that effortlessly squeezes out every last valuable drop. **1/2 Gallon Strictly Medicinal® Tincture Press is available in a rainbow of colors, also black and white.** For current pricing see www.strictlymedicalseeds.com

The preferred herbal reference for students, householders, and manufacturers making standard herbal products—tinctures, teas, glycerites, poultices, salves, and oils. An extensive formulary covers 143 herbs that can be cultivated in North America—parts used, formulas, practical uses, dosages, and an overview of alternate species. **Making Plant Medicine: \$24.95** (344 pp, soft cover)

Both volumes are hand illustrated by Sena Cech, covering the basic herbs to the bizarre. “Growing Plant Medicine Vol. 1” presents theory and practice of natural gardening techniques for medicinal herbs, including bioregional recommendations, garden plans and an extensive materia medica—families A through He. “Growing Plant Medicine Vol. 2” continues the materia medica—families Ho through Z, also a special section on cultivation of herbal trees, seeds per gram and drying ratio charts. Gardening and herbalism coming from a lifetime of observing, growing, and advocating for medicinal herbs.

“Growing Plant Medicine” vol. 1 \$29.95 (354 pp, soft cover)
“Growing Plant Medicine” vol. 2 \$29.95 (241 pp, soft cover)
2 Volume Set: \$54.90 (\$5.00 savings when you buy both.)

A compendium of information about 20 native herbs of North America and Hawaii, with an emphasis on conservation through cultivation. Includes: Black Cohosh, Bloodroot, Blue Cohosh, Echinacea, Goldenseal, Lomatium, Osha, False & True Unicorn, Virginia Snakeroot, Wild Yam. **“Growing At-Risk Medicinal Herbs” 2nd edition.” \$24.95** (336 pages, soft cover)

Mounted in frames of Port Orford cedar (1 foot square and 3 inches deep), the stainless steel screens are graduated from course to fine. Designed to assist in separating viable seed from inferior seed, also cleaning seeds of chaff and dust. They will work equally well on medicinal herb seeds, flower seeds, and vegetable seeds. Superior materials and crafting. **Set of 8 Graduated Screens. For current pricing see www.strictlymedicalseeds.com**
